

# Shoot for the St★rs

Behaviour at Upton Junior School

# Points

- Each child starts off with 5 points at the beginning of every day.
- Possible total of 25 points a week.
- The points will also be looked at on a 3 weekly basis.

# Sanctions

- If a child is
- talking
- messing around
- refusing to work
- rude
- disrupting the lesson etc

then a yellow warning card gets placed on the desk in front of them. This will act as a reminder to the child that they have got to improve their behaviour.

- If a child improves their behaviour they can then earn the yellow card back. The yellow card can then be removed from the table.
- If a child continues to misbehave the yellow card is changed to a red card.

- 
- If a child has a **yellow card** on their desk at the end of the lesson they lose 1 point.
  - If a child has a **red card** on their desk at the end of the lesson they lose 2 points.
  - You may also decide that the child should also get a play time detention. (Class swap list to be given out).

# Spreadsheets

Excel spreadsheets have been set up to track children's behaviour.

**Re: Behaviour in school**

As you know, ensuring high standards of behaviour is a key aim of our school.

From September 2013 we have been monitoring children's behaviour even more closely than in the past. One of the reasons for doing this is to make sure we reward the children whose behaviour is consistently good.

Every week children start off with 25 points. Points are deducted when behaviour is unsatisfactory.

Every three weeks we review how the children are doing. We have just completed one of these reviews.

**I am writing to inform you that «Forename»'s behaviour over the last few weeks has been brilliant: «Forename» has kept all 75 points!**

This is really good and shows that «Forename» is a credit to the class and to Upton Junior School.

I hope you are very proud of «Forename» - we certainly are!

With best wishes,

Mrs M Lewis
